) **CONTINUANCE**

1 Plaintiff requests that the scheduling conference set for August 11, 2005 be continued  
 2 until September 15, 2005, as the defendant has not yet answered. Plaintiff initially tried to serve  
 3 the defendant directly. However, service was refused. Plaintiff contacted the Office of the  
 4 General Counsel for the California State University system, who indicated that its office was  
 5 willing and authorized to accept service. Plaintiff received confirmation from the process server  
 6 that service was successful on July 27, 2005. Once the defendant has answered, plaintiff will  
 7 promptly meet and confer, pursuant to FRCP 26.  
 8

9 As the defendant has not yet answered, and counsel for the parties have not yet met and  
 10 conferred, those matters normally reviewed during a scheduling conference cannot be fully  
 11 reviewed at the conference as presently scheduled. In order to preserve the court's time and  
 12 resources, plaintiff requests that the conference be continued until September 15, 2005. By that  
 13 time, the defendant will have answered and counsel for the parties will have met and conferred.  
 14 Additionally, Plaintiff's counsel hereby reiterates its request to appear telephonically for the  
 15 continued conference.
